

Vietnam International Exhibition on HARDWARE & HAND TOOLS

POST SHOW REPORT

2 0 1 7

International Exhibition on Hardware & Hand Tools 2017 has completed after 4 efficient working days. This is the first and only exhibition on hardware and hand tools ever organized in Vietnam.

The show received enormous interest and high appreciation from media agencies, specialized associations and top enterprises in Vietnam for building an international business exchange forum about hardware and hand tools, meeting

diverse demands of the market and fields of manufacture, industries, construction and lifestyle.

Organized the first year with a scale of **250** booths, **218** exhibitors from **16** countries and territories, the Exhibition has satisfied requirements of market reseach on products and technologies to have a general view on hardware and hand tools market in Vietnam.
